GENERAL SHOW RULES AND REGULATIONS

Entries for Horses close April 18th, at 12 o'clock noon at the Exhibition Association office, Exhibition Grounds. No entries sent in after that hour and date will be accepted.

The age of every horse shall date from the first of January of the year in which such horse was foaled.

Horses must be in the stalls allotted to them by 10 a.m., on Tuesday, the first day of the Show, with this exception, that Edmonton horses entered in the Saddle class, Hunter classes, Roadsters and High Steppers, may be asked to keep their animal at home on account of shortage of stabling. Their horses need not be brought to the grounds until one hour before time is set for the judging of their respective classes.

Exhibitor must give name of horse, Canadian registration number, date of birth, color, sex, name and number of sire, name and number of dam, and the name of the breeder, on entry blank at time of entry.

A novice horse is a horse which has not won a first or second prize in the division in which it is entered at any Class "A" show prior to the date of closing of entries for this Show. Three divisions will be recognized in connection with this rule, namely, Harness, Saddle and Hunter, with this exception, that a horse which has won in the Harness or Saddle classes may be a novice in the Hunter classes, but a horse which has won as a Hunter may not be entered as a novice in the Saddle classes but may be entered as a novice in the Harness classes.

In cases where doubt exists in the mind of the judge or official as to the breeding exuberance of any animal, the exhibitor thereof may be required to furnish evidence to the satisfaction of the officials concerned.

Horses must be owned by the exhibitor at the date of closing of entries.

Exhibitors from Alberta points in the breeding classes must become members of the Alberta Provincial Horse Breeders' Association. Membership fee \$1.00 per year.

RING REGULATIONS

Exhibitors in the horse classes must have their horses ready for the ring when the class is called, and no exhibitor will be permitted to take a horse into the show ring after the judging of the class has commenced.

An exhibitor may only pass another when it is possible to go right by, and may not pass immediately in front of the judge. Passing should be confined to the corners.

Single file must be maintained and contestants should keep half a horse's length from the entry next in front.

Competitors should not cut corners.

No one showing a horse shall, when close to other horses, do anything which may excite the other horse.

Entries must be made by the exhibitor, or his agent (who shall sign as agent, and give the name of the owner) on the entry form provided for the purpose. Full information as required by the regulations governing the classes must be given on the entry form **AT TIME OF ENTRY**, and the owner or his agent shall produce

such proof in support of the truth of such information, as the management shall at any time require.

The Association will not accept a conditional entry, or one that has been mailed or is postmarked or tendered so as to reach the office of the Association in the Arena after the date and hour of closing for entries.

Entries must be accompanied by the specified entry fees.

The Exhibition Association reserves the right to refuse an entry.

ATTENTION, EXHIBITORS IN PURCHASED CLASSES

All animals entered in purchased classes at this show must be registered with the Canadian National Live Stock Records at Ottawa, in the name of the owner, at the time of making of entry, and the registration number must be given on the entry form, otherwise the entry will not be accepted.

CHAMPIONSHIP AWARDS

Any animal which is eligible to show in the individual classes, and which has won a first or second prize, shall be eligible to win a grand championship.

TRANSPORTATION ARRANGEMENTS

Any animal shipped by railway from any point in Western Canada and duly exhibited for an event, shall be billed to the Exhibition Grounds at Edmonton in care of the Association, at the full single rate for such animal, and if such animal does not change ownership and a certificate is obtained from the management, the railway transporting such animal to the Show will return the same free to the starting point.

The Freight Superintendent, whose office is located beside the railway loading platform at the rear of Barn 33, will be prepared to furnish tariff rates and to bill freight for shipment to any point, at the close of the Exhibition.

DUTIES OF EXHIBITORS

No animal or exhibitor shall be decorated with medals or prize ribbons until after the awards have been made in the respective events in which such animal is shown or exhibited.

An exhibitor who refuses to show in his class without proper reason being furnished to the committee shall forfeit all prize money won by the animal entered.

MEASUREMENT

In classes where height is specified, horses and ponies shall be measured by such person or persons as the Executive Committee may appoint, in the show in which such horses and ponies will compete, and the certificate of measurement must be in the possession of the exhibitor at the time of judging. No changing of shoes to affect a re-measurement will be permitted. In saddle and light harness classes competitors must have certificates of height, by authorized or official measurer, in the ring at the time of showing, for inspection by the judge, if required. The Executive Committee may order any horse or pony measured, or re-measured, at any time, whether before or after the class has been judged, and any competitor refusing to bring such animal out for measurement will forfeit any prize money

won by him at this Show. The official measurer will be at the Show from 10 a.m. to 12 noon the first day of the Show—prepared to issue certificates of height. In classes for pairs, or four-horse or six-horse teams, if one horse in a pair or two in a four-horse or three in a six-horse team should be half an inch under or half an inch over the prescribed height, such difference shall not disqualify the team.

AUTHORITY OF OFFICIALS

The Directors shall be at liberty for cause, or in their uncontrolled discretion, and without giving any reason therefor, to bar any exhibitor or any animal from participating in, or competing or continuing to compete in any event, and also cause any such exhibitor and any such animals to be removed from the premises of the Association.

A judge shall have uncontrolled power to decide all questions as to the winner of any event over which such judge presides, and the awarding of the award thereof, and the decision of such judge on any such question shall be final, and there shall be no recourse therefrom.

The judge in any event may, if he deems it necessary in order to make an award, ride or drive any horse or pony being shown or exhibited in such event, and such judge may, if of the opinion that a horse or pony being shown or exhibited is not sufficiently under control, bar such horse or pony from further showing or exhibiting in such or other event.

FRAUDULENT PRACTICE

If any exhibitor be guilty of any fraudulent practice, or shall conspire with any other person for the commission of any corrupt or fraudulent practice in relation to any event, or shall show or exhibit an animal not properly entered, or shall administer or cause to be administered a drug or stimulant internally or by hypodermic method, prior to or during any event, or who shall use or cause to be used appliances, electrical or mechanical, other than the ordinary whip or spur during any event, shall be disqualified by the judge from further participating in the event in which such event occurs, and such judge may also exercise all the powers given to a judge under these rules and regulations.

IMPROPER ACTIONS

Any exhibitor who shall at any time or at any place attempt to interfere with or influence any judge or any official of any event or of the Association, or who shall at any time on the premises of the Association be intoxicated or use improper language to any such judge or official, or to any of the public resorting to such premises, or refuses to accept any award made by a judge, shall, at the discretion of the Manager, forfeit any award already made to him, and the Manager may, with like discretion, exercise all powers given by the Directors under the clause relating to Authority of Officials.

PROTESTS AND PENALTIES

Only an exhibitor in the class affected, or an official of the Edmonton Exhibition Associates, or a member of the Board of Directors, may make a protest. Any exhibitor lodging a protest must first deposit \$5.00 with the Manager, which sum shall be forfeited to the Association if the protest be not sustained. All protests must be made in writing setting forth the reasons for the protest, signed

by the protestor, and must be made within 24 hours after the award is made. In case of any infringement of the rules, the Directors may take action without a protest being filed.

The Protest Committee shall receive protests which may be referred to them, and shall investigate same, having regard to the available evidence of all parties concerned, and shall report their decisions to the directors for approval, except in such cases wherein they have been given authority to make a final decision, and in such cases their decision shall be reported to the Directors for their information. The decision of the Directors shall be final, and there shall be no recourse therefrom.

STABLING

The Association shall supply to each exhibitor, free of charge, such stabling room and water on the premises of the Association for the entered animals of such exhibitor as the management shall consider sufficient for such purposes.

Lists showing the stabling of all exhibits will be found posted in places of prominence around the buildings, and in the office of the Association.

RESPONSIBILITY

Every exhibitor shall be deemed to be in full charge of and responsible for, and the Association shall not be liable for any loss to any such animal or for injury or damage thereto from the time that such animal commences to be transported to the premises of the Association until such animal is delivered thereon, and every animal on the premises of the Association shall be deemed to have been placed thereon at the risk of the exhibitor, and the same shall remain at the risk of the exhibitor. The Association shall not be liable for the loss of such animal or for injury or damage thereto, notwithstanding such loss, injury or damage, arising through or by negligence of the Association or any of its officers, sergeants or agents.

ALTERATION

If at any time the Directors shall deem it necessary or expedient to make any alteration in, or any addition to, any of these rules and regulations, or in the published conditions of any event, they may do so; and all such alterations or additions shall be adhered to and have the same effect as if originally embodied in these rules and regulations.
